1 JAN 2018 - 31 DEC 2018

HETZNER FINLAND OY

has chosen

WIND POWER

FOR 100% OF ITS CONSUMPTION

and is therefore a

**CONTRIBUTOR
TO A CLEANER
FUTURE**

The origin of electricity is certified with Guarantees of Origin (GoO) in accordance with the RES-E Directive. The guarantees of origin have been granted in accordance with the EECS (European Energy Certificate System) standard. Vantaa Energy acquires a corresponding amount of electricity certified with a guarantee of origin, which is verified by an auditor each year.
